### Decisions of the ISU Council

#### ISU Legal Advisor appointment - Disciplinary Commission (DC) composition

Please be informed that Ms. Béatrice Pfister (SUI) has accepted the appointment as ISU Legal Advisor and consequently has resigned from her position as Chair of the DC with immediate effect.

As to her replacement as DC Chair, the following procedure applies:

The Council appointed Mr. Volker Waldeck (GER) (DC member with the highest number of votes during the Barcelona Congress elections) as DC Chair (as per Article 13, para 5, concerning the general principle of precedence and by analogy Article 14, para 4 on replacement of a Chair of a Technical Committee).

The Council acknowledges the addition of Ms. Susan Petricevic (NZL) (non-elected candidate during the Barcelona Congress elections) to the DC as Figure Skating DC member (Article 24 para 4).

Since the Council is "appointing" Mr. Waldeck as DC Chair, it will be necessary to hold a special election at the 2012 Congress for the position of the DC Chair as per the last sentences of Article 13, para 5, and by analogy, Article 24, para 4.c).

These changes are effective immediately.
