This means that if for example an NOC has only one entry for a discipline/competition, this skater or couple may not choose to skate only in the individual OWG competition and skip the Team Event competition.</p> <p>The ten (10) qualified Teams will compete in the Short Program/Rhythm Dance. The five (5) best Teams having scored the highest number of aggregate placement points (see paragraph 4 of Appendix A below) after the Short Program/Rhythm Dance will qualify to continue the Team Event by skating the Free Skating/Free Dance.</p> <p>D.4 Additional Athletes Quota</p> <p>The Additional Athletes Quota of up to five (5) skaters will be used as a priority for the Host Country quotas allocation if needed.</p> <p>In addition, NOCs who do not have qualified skaters/couples in an individual OWG competition/discipline (Women Single Skating, Men Single Skating, Pair Skating, Ice Dance) may benefit of any remaining Additional Athlete Quota (after Host Country places are allocated) and enter into the Team Event with one (1) skater/couple. The applicable Minimum Total Element Scores shall be decided by the ISU Council and shall be published in an ISU Communication at the beginning of the Olympic season 2021/2022.</p>

HOST COUNTRY PLACES

If the Chinese Olympic Committee (Host) qualifies in all individual events (Women Single Skating, Men Single Skating, Pair Skating, Ice Dance), the host country places will not be applied. However, in case the Host went through the normal qualifying procedure and did not qualify in any of the disciplines (Women, Men, Pair Skating, Ice Dance), the Host shall have the right to enter one (1) Skater(s)/Pair/Couple per concerned discipline(s) as additional entry(ies) as long as the concerned Skater(s)/Pair/Couple achieved the Minimum Total Elements Score (points) for the Olympic Winter Games and meets the eligibility requirements described in section C. The quota places will be allocated from the additional Athletes quota as per paragraph D 4.

Skaters participating through the host country allocated quota will only compete in the individual events. It is important to note that these host country quota places do not automatically constitute a team for the host country in the Team Event unless the host country qualifies for the Team Event through the normal qualification process as described in D.3.

E. CONFIRMATION PROCESS FOR QUOTA PLACES

Following each qualification event, the ISU will publish an official communication on its website (www.isu.org) and inform the respective NOCs of their allocated quota places within two (2) weeks of the date on which the quota place was obtained. The NOCs will then have until 1 September 2021 to confirm if they wish to use these quota places. Please refer to section **G. Qualification Timeline** for detailed information.

The Qualified NOCs for the Team Event will be officially informed by the ISU Secretariat shortly after the ISU Grand Prix of Figure Skating Final in December 2021 and must enter their skaters/couples by respecting the entry deadlines applicable for the Olympic Winter Games Beijing 2022.

QUALIFICATION SYSTEM FOR XXIV OLYMPIC WINTER GAMES, BEIJING 2022

F. REALLOCATION OF UNUSED QUOTA PLACES

Qualification places earned and not used for the individual events (not the Team Event) by the NOCs, will be filled by stand-by NOCs based on the final result of the designated ISU Senior International Qualification Competition for those NOCs not qualified and not yet represented.

In case that a Qualified NOC cannot send its Team to the Olympic Winter Games Beijing 2022 for whatever reason, the ISU will invite the NOC whose Team is ranked next in the Figure Skating Team Event qualification list, if possible.

In the case of any tie, there will be a draw to determine who skates first.

Skaters/Couples, not having earned any ISU World Standing points will be listed at the bottom of the ISU World Standing list in NOC order. There will be a separate draw between those skaters/couples of the respective discipline with no World Standing points to determine the starting order.
