It is with great pleasure that we announce that Beth Delano from Washington, D.C. has joined the ISU Adult Figure Skating Group (AFSG), replacing the vacancy created with the departure of Rhea Schwartz.

Beth’s passion for adult skating started at the first US Adult National Championships in 1995. Beth also competed at the first International Figure Skating Competition in Oberstdorf, Germany in 2005.

She served on the US Adult Committee for 10 years, US Sanctions and Eligibility Committee, the Washington Figure Skating Club Board of Governors which included chairing the Skaters’ Services Committee for the 2003 World Championships in Washington DC.

Beth continues to skate competitively and encourages adults to continue whether they be former standard track skaters or new to the sport.

She holds a BA in Political Science from the University of New Hampshire and has spent more than 25 years in business to business sales.
