

ISU ICELAB Centre of Excellence presents:

2st Excellence Tryout Day for skaters interested in the discipline of Pair Skating

International Pair Skating Development Tryout for Skaters and Coaches on April 20-21, 2024.
Icelab ice rink, Via San Bernardino 141, Bergamo (Italy).

General

The aim of the Seminar is to develop the discipline of Pair Skating to all Skaters and Coaches who are willing to try and experience it in a new and fresh approach at a **beginner level**.

Experienced high level international Coaches will moderate the Seminar and experienced pair Skaters will help guiding the beginners to the new discipline in the safest way.

Daily off-ice including lifts and twist will be organized, as well as on ice classes.

For a more personal learning effect, the experts will be available for one-to-one contact with participating Coaches.

The 2024 Excellence Pairs Tryout is designed for Novice and lower Junior-aged skaters with the following requirements:

- Female Skater: has reached the age of thirteen (13).
- Male Skater: has reached the age of fifteen (15).

Focus of this Seminar

- Develop new knowledge on Pair Skating for young Skaters.
- Increase the skill sets of skaters who already skated pairs at beginner level.

The number of Skaters and Coaches entered from each ISU Member is not limited but a general guideline has been established of a maximum of three boys and tree girls per ISU Member (for a total of max 16 boys and 16 girls). If there are too many skaters entered, the CoE coordinators will reduce the number, using age and level as the criteria.

Preference will be given to Skaters who can manage all double jumps and land 2A and have higher best FS personal score as single Skater.

- The Seminar is also open to Coaches wishing to attend without Skaters.
- The Seminar will be conducted in English.
- Participants need to bring their general sports clothing with them.
Coaches also need to bring their skates with them.

Entries

Entry fee: • 180 euro per Skater
• 120 euro per Coach

Entry fee must reach the organizers and be paid before Friday, March 29, 2024.

Copy of bank transfer payment and entry application form must be submitted to Icelab on email:
