The artificial ice surface is 60 meters in length and 26 meters in width. The tentative schedule is on the attached Exhibit B.

SINGLES SKATING – LADIES AND MEN

The innovation to be tried out in accordance with ISU Rule 367 is to conduct an Open team competition with an ISU free skating program only. The required elements to be skated are listed in ISU Special Regulations Single and Pair Skating, 2016, Rule 612.

CALCULATION OF TEAM RESULTS

The ISU Judging System as per the 2016 ISU Special Regulations for Single and Pair Skating shall be used. Scores (points) for each team member as per Rule 353 will be totaled. The highest total team score wins the competition.

MUSIC

All CDs which are to be used must be of high quality. The competitor's name, country and exact running time (not skating time) must be stated on the discs.

JUDGES' MEETING

The first Judges' Meeting is tentatively scheduled to be held on Friday, October 6, 2017.

NOMINATION OF JUDGES

All Judges must be from different ISU Members at each panel, and the judges will be nominated from the following three regions:

Asia & Oceania, North America and Europe

Each panel for Men and Ladies will consist of 9 judges. Each participating Member will have one judge, the remaining seats for judges will be nominated or drawn in order to secure judges to cover all three areas equally as much as possible to ensure fairness.

DRAWS

The opening draws are tentatively scheduled to be made at 8:00 p.m. on Friday, October 6, 2017.

AWARDS AND PRIZES

Team prize money will be as follows:

First prize = \$80,000
Second prize = \$60,000
Third prize = \$40,000

The awarded amount to each Team will be divided equally among the participating skaters. No additional prize money will be given to any of the competitors, either eligible or ineligible, directly or indirectly for this competition. Withholding tax will be deducted from the above prize money.

LIABILITY

The Japan Skating Federation, The International Skating Union and Saitama Super Arena take no responsibility for liability with respect to bodily or personal injury or property loss or damage incurred by competitors or officials.

DOPING

Doping test will be carried out in accordance with ISU Regulations and ISU Communications Numbers 1765 and 1800. In Open International Competitions or New Method/System Competitions sanctioned by the ISU, doping tests are mandatory and all skaters competing at International Open Competitions or New Method/System Competitions including the ineligible skaters may be tested. In addition to the winner, a minimum of 1 skater per discipline shall be selected by random draw to be tested. Prior to the competition, all skaters entered for such competitions must accept in writing to be

submitted to doping tests that will be conducted under the control of the ISU Member and in consultation with the ISU Medical Advisors. Skaters who refuse to accept this procedure will not be allowed to skate. In case of refusal to give the required sample after the competition (after initially having agreed) and in case of positive results, sanctions as per ISU Regulations will apply for the eligible skaters. For the ineligible skaters the ISU Council will take the necessary decision which could consist of preventing the ineligible skater involved from being invited to Open International Competitions/New Method/System Competitions for a certain period of time, as well as withholding the payment of prize money and other benefits. In this respect, the organizers will pay the skaters' benefits after the competitions and only upon receipt of the doping test results.
