Skaters/Pairs/Couples, who have not received any ISU World Standing points will be listed at the bottom of the list in country order.

The Competitors will be divided into starting order groups in accordance to Table I of the Technical Rules using the total number of Competitors.

Within the starting order groups, the Competitors will be divided into two equal subgroups, in case of an odd number of Competitors the subgroups with the Competitors drawing for the higher starting numbers will include one more Skater/Pair/Couple.

In case of ties in the World Standings there will be a separate draw between tied Competitors to decide the order of the draw. In case of ties in the World Standings on the border of starting order groups or the subgroups, all those tied Competitors will be included in the later group or subgroup and the following group or subgroup will be smaller by the number of Competitors so added to a later group. There will be a free draw among all Competitors of each such subgroup with the highest ranked Skater/Pair/Couple drawing first and so on.
