## 1. GENERAL

First and foremost, the following information is subject to a timely normalization of the coronavirus situation allowing the safe organization of the ISU Events this winter/spring. The ISU is closely monitoring the respective developments in consultation with the organizing ISU Members and with the expectation and hope that the situation will be restored to normal as quickly as possible. The ISU will inform ISU Members in case of any development or related decision.

The ISU World Team Trophy (in Figure Skating) is an ISU Event announced in respect of the current ISU Constitution and Regulations. As per ISU Regulations, Rule 100, paragraphs 3. a) & b) the ISU owns all rights to the ISU World Team Trophy. The ISU World Team Trophy will be held with the approval and the assistance of the International Skating Union, under the responsibility of the organizing ISU Members concerned (in this case the Japan Skating Federation – JSF) and in accordance with the current ISU Constitution and General Regulations 2018, the ISU Special Regulations & Technical Rules Single & Pair Skating and Ice Dance 2018 and all relevant ISU Communications.

The 7th edition of the ISU World Team Trophy has been allotted by the ISU Council to the Japan Skating Federation to be held in Osaka, Japan on April 15-18, 2021.

## 2. BASIC EVENT FORMAT AND QUALIFYING SYSTEM

- a) The ISU World Team Trophy format is based on a competition consisting of the six (6) best national Teams from ISU Members with a special provision for the host ISU Member to be included as Qualified Member. Each Team will be composed of 2 Men Single Skaters, 2 Lady Single Skaters, 1 Pair and 1 Ice Dance Couple, i.e. a total of 8 Skaters per Team. Each Team nominates a Captain from Team Skaters who represents the Team including during the medal giving ceremony. The Team Captain will also represent the Team at the Press Conference.
- b) Six (6) ISU Members will qualify based on the scoring scale used for the ISU World Standing points (see applicable scale in sub-paragraph e) below) scored by its best 2 Lady Single Skaters, best 2 Men Single Skaters, the best Pair and the best Ice Dance Couple primarily at ISU Grand Prix of Figure Skating events and Final season 2019/20 and the ISU World Figure Skating Championships 2021 (if not held no ISU World Figure Skating Championships results apply), plus possibly the ISU European Figure Skating Championships / ISU Four Continents Figure Skating Championships 2020, the ISU World Junior Figure Skating Championships 2020 and ISU Junior Grand Prix of Figure Skating season 2019/20.
- c) The 6 Teams, having accumulated the highest number of points by the above-mentioned number and discipline of Skaters/Couples in the above-mentioned ISU Events and the criteria outlined below, will qualify. If a Team would qualify by points with less than the above-mentioned number and disciplines of Skater/Couples contributing to the qualification points, such Team would only be considered qualified, if points are achieved in at least 3 disciplines, otherwise the Team with the next highest amount of points fulfilling the criteria will be considered qualified. If there is a tie among Teams' subject to qualify, the Team having earned the higher number of points at the ISU World Figure Skating Championships 2021 (if not held no ISU World Figure Skating Championships results apply) will be qualified. If a tie persists, the qualifying ISU Member will be decided by draw. The Team of the host ISU Member, if not qualified under the applicable Qualifying System, will receive a wild card entry as Team number 6 replacing the Team finishing in that place in the Standings.
- d) For the purpose of the ISU World Team Trophy Qualifying System, the basis is to attribute to each ISU Member points according to the scale below (sub-paragraph e) on the basis of **the two best results** (the highest number of points earned) of **two different** Single Skaters **Men**, of **two different** Single Skaters **Ladies**, of **one Pair** and of **one Ice Dance Couple** at each of the two (2) groups of ISU Events listed below (the applicable Events):
  - i) in one of the ISU Grand Prix of Figure Skating individual events or Final (senior) season 2019/20. If Skaters/Couples of an ISU Member have not obtained points in the above-mentioned ISU Grand Prix of Figure Skating individual events and Final (senior) season 2019/20, then the best result in one event of the ISU Junior Grand Prix of Figure Skating individual events (only in individual events but not the Final) season 2019/20 can be considered;
  - ii) in the ISU World Figure Skating Championships 2021 (if not held no ISU World Figure Skating Championships results apply);

If Skaters/Couples of an ISU Member have not obtained World Standing points in the ISU World Figure Skating Championships 2021 (if not held no ISU World Figure Skating Championships results apply), then it is possible to use the ISU European Figure Skating Championships 2020 respectively the ISU Four Continents Figure Skating Championships 2020 and if needed the ISU World Junior Figure Skating Championships 2020.

It must be understood that in spite of the fact that the Qualified ISU Members for the ISU World Team Trophy can only participate with two Single Skaters each Ladies and Men, one Pair and one Ice Dance Couple, for the ISU World Team Trophy qualifying system the highest number of World Standing points\*) per discipline (Ladies, Men, Pair Skating/Ice Dance) earned at each of the two above-mentioned applicable Events will be used when cumulating the World Standing points\*) earned per ISU Member. This means that more and different Skaters/Couples per ISU Member may contribute to the cumulative number of World Standing points\*) per ISU Member. Practically, two to four different Single Skaters Ladies and two to four different Single Skaters Men (the maximum four different Skaters would be two different Skaters each at two Events) could contribute to the cumulative number of World Standing points\*) per ISU Member. For Pair Skating and Ice Dance Couples it could be one to two Pairs respectively one to two Ice Dance Couples per ISU Member that could contribute to the cumulative number of World Standing points\*) per ISU Member (the maximum two different Couples would be one Couple each at the two applicable Events).

\*) World Standing points are granted and calculated only for the events described as in paragraph 2.d) and 2.e). The corresponding ranking and ISU World Team Trophy qualification list indicating the respective qualified ISU Members for the ISU World Team Trophy 2021 (hereafter called the "Qualified ISU Members") will be published on the ISU website immediately after the ISU World Figure Skating Championships 2021, which will be held in Stockholm, SWE, on March 22-28, 2021. If the ISU World Figure Skating Championships 2021 would not be held, the information would be published within one week after cancellation of the ISU World Figure Skating Championships 2021.

### 3.4. Withdrawals & substitute Skaters/Couples attendance

If an entered Skater or Couple cannot participate due to injury or illness, he/she/they must immediately inform the Organizing Committee and the ISU Secretariat in writing through the respective ISU Member. Replacements do not influence the invitation of Judges or the composition of the panel of Judges.

### 3.5. Travel Documents and Permits

Due to the limited time between the ISU World Figure Skating Championships 2021 and the ISU World Team Trophy, all qualified Team members are requested to take care of their individual travel documents and permits (visa, etc.) on a timely basis. The Team event consists of 2 phases of competitions. The 1st phase the Short Programs and Rhythm Dance and the 2nd phase the Free Skating and Free Dance.

Teams are awarded 12 to 1 Team point(s) for Men and Ladies and respectively 12 to 7 Team points for Pair Skating and Ice Dance in the 1st phase and the 2nd phase.

Place	Points Men and Ladies awarded in SP and FS	Points Pair Skating and Ice Dance awarded in SP/RD and FS/FD

2 <sup>nd</sup>	11	11
3 <sup>rd</sup>	10	10
4 <sup>th</sup>	9	9
5 <sup>th</sup>	8	8
6 <sup>th</sup>	7	7
7 <sup>th</sup>	6	-
8 <sup>th</sup>	5	-
9 <sup>th</sup>	4	-
10 <sup>th</sup>	3	-
11 <sup>th</sup>	2	-
12 <sup>th</sup>	1	-

The intermediate and the final Team Standings are calculated according the sum of the team points achieved in each phase of the Team event of each discipline.

### Tie Breaking within a segment

- If two or more Skaters, Pairs, or Ice Dance Couples have the same rank in the Short Program or Rhythm Dance, the Total Technical Score will be used to break ties.
- If two or more Skaters, Pairs, or Ice Dance Couples have the same rank in the Free Skating or Free Dance, the Program Components Score will be to break ties.
- If these results do not break the tie, the competitors concerned will be considered tied. The Team points will be awarded according to the placement of the Skaters/Couples in each discipline.

### **Tie Breaking within the Team Standings**

In cases of ties between Teams, the following tie breaking procedure will be used. This is only applicable after the second discipline of the current phase has started.

- The highest total Team points from the two best places **in different disciplines** of the current phase will break the ties;
- If they remain tied, the highest total segment scores of the two best places according to the Team points **in different disciplines** of the current phase will break the ties;
- If they remain tied, the highest total Team points from the three best places **in different disciplines** of the current phase will break the ties;
- If they remain tied, the highest total segment scores of the three best places according to the Team points **in different disciplines** of the current phase will break the ties.

If these criteria fail to break the ties, the Teams will be considered as tied.

### **11. AWARDS ON ICE**
