## BIBS

Snowboard & Alpine Skiing: Bibs will be handed over at the Team Captains' Meetings one day prior to the competition.

Cross Country Skiing & Biathlon: Bibs and timing transponders will be delivered at the start area before the start.

Nordic Combined & Ski Jumping: The warmup bibs of Nordic Combined Skiing can be picked up in the Competition Office. On the way to start, athlete changes warm up bib for the competition bib before transponder installation. The bibs of Nordic Combined Skiing are available in Competition Office (Grandstand Building, ground floor) 30 minutes before the start.

After the last individual and team competition, athletes may keep the bibs as a souvenir.

## STORAGE & WAX CABINS

There will be storage/waxing possibilities available for participating NOC teams near the sport venues:

Cross Country Skiing & Biathlon: Waxing Hall next to Sokos Hotel Vuokatti

- distance to the Biathlon stadium 800 m
- distance to the cross country stadium 300 m
- distance to the ski track 50 m

Each team will have separate Wax Cabins, but they will not be locked. There will be security guards at all times during the opening hours. During nighttime, the Waxing Hall will be locked.

Test tracks run from near the Waxing Hall. The tracks have the same artificial snow base as the competition tracks for both CC and BT, and will be in the same condition as the competition tracks. The tracks are already in use.

Alpine Skiing & Snowboard: Vuokatti Ski Resort Parking area (containers)

- distance to the ski lifts 100 m

Labelled keys for Team cabins of respective sport disciplines will be handed over to the Chefs de Mission on arrival.

## TRANSPORT OF EQUIPMENT ON ARRIVAL AND DEPARTURE

### Arriving by air

Upon arrival in the Kajaani airport, sports equipment will be loaded on to busses and transferred to the competition venues by the EYOF Logistics Team. Sports equipment for Short Track and Figure Skating will be stored in the NOC Accommodation and must be brought to the competition venues on a daily basis. Ice Hockey Teams will travel in a dedicated bus directly from the airport to the venue (Kajaani Ice Hall) where they can unload their equipment and material and put it in the team locker room. If team members arrive separately, they can bring their equipment to the venue when arriving for their first training session.

For departure, all sports equipment is picked up from the venues and loaded to the busses before picking up the NOC delegation members for transportation the airport, except for Ice Hockey equipment in Kajaani, which will be picked up on the way.

More detailed information will be provided later when the flight connections are confirmed.

### Arriving by own car

NOCs arriving by their own vehicles are advised to transfer their sports equipment directly to the competition venues themselves. If this is not possible for any reason, the EYOF Logistics Team can arrange a transfer. If NOCs opt for self-delivery, they can bring their sports equipment (except rifles and ammunition) to the competition venues on the arrival day (19.3.), or the day of the first training (20.3.).

NOCs departing by their own vehicles can choose to collect their sports equipment directly from the competition venues themselves. If NOCs opt for self-collection, they need to empty their Wax Cabins by 26.3.2022.

### Rifles and ammunition

As NOCs are not allowed to store Biathlon rifles and ammunition in their accommodation, NOCs - arriving in their own vehicles - must hand over their rifles and ammunition to the rifle storage when they arrive and collect again when they depart. For the rifles and ammunition, there will a separate locked storage within the Athletes' Village with 24/7 security. No overnight storage in the accommodation or cars is allowed due to local legislation.

All rifles and ammunition must be tagged accordingly in order to be able to claim the correct rifle and ammunition when going to the competition venue. It is mandatory to keep rifles and ammunition in proper boxes or cases to avoid damages.

## ADVERTISING

EYOF Rules on Advertising, Demonstrations and Propaganda should be applied. Find the rules on the EOC website.

## SPORT INFO DESK

The Sport Info Desk is located in the NOC Services Centre. All sport related information for the EYOF 2022 Vuokatti will be available there during the event week.

### Start and result lists

All current results, and latest start lists, will be available at the Venue Information Points during competition, and immediately after the competition on the event website ([www.eyof2022.fi](http://www.eyof2022.fi)), as well as at the Sport Info Desk. In accordance with the EYOF 2022 green policy, no hard copies for NOCs will be available in the venues.

## CEREMONIES

### Flower ceremonies

Flower ceremonies will be held at each venue right after the official results have been published. Instead of flowers, medalists will be given event mascots.

### Medal ceremonies

The EYOF 2022 Medal Ceremonies will be held in accordance with the protocol determined by the European Olympic Committees to honour the individual and team achievements of the athletes. The Medal Ceremony is held every day at 19.00 hrs, in the Ceremony Plaza at the Vuokatti Arena with the following exceptions:

- Wednesday 23.3., after the Snowboard Finals at the Vuokatti Ski Resort
- Friday 25.3., at the beginning of the Closing Ceremony, except for Girls' Ice Hockey the Victory Ceremony will be held at the venue after the final game

Medals will be presented in the following order: bronze, silver, gold. The national flags of the medallists will be hoisted as the national anthem of the gold medallist's nation is played. No flags, banners, or other merchandise are allowed on the podium.

## CATERING

Food and beverage services e.g. snacks and refreshments will be provided to athletes, team officials and working pass holders at, or close by, each Competition Venue. Service hours will depend on the competition and training schedule. Snacks at the competition venue will consist of water, fruits, coffee, tea and smoothies made from Finnish berries.

Because of the close proximity of the Main Event Restaurant to the venues, there will not be any lunch service at the venues.

## TEAM CAPTAIN MEETINGS

Meetings for each discipline will be held in the Sokos Hotel Vuokatti meeting rooms. For the times and locations please refer to the relevant sports chapters below.

## TRANSPORT TO THE VENUES

The Athletes' Village and sport venues are within walking distance, except for Ice Hockey which is held in Kajaani. A shuttle bus service will be organised to facilitate the transportation of all participants between the sport venues and the Athletes' Village in Vuokatti and Kajaani. There will not be a bus service between Vuokatti and Lahti.

There will be bus transfer service between Kajaani and Vuokatti for Ice Hockey teams and other accredited groups. There will not be dedicated buses for each Ice Hockey team 24/7, but they will be transported to and from arenas according to the training / game schedules, or if they want to go and see other games. The Transportation Mall will be located in the centre of the Athletes' Village.

## WEATHER SERVICE

Weather information will be available at the Sport Information Desk, and at the Venue Info Points. Furthermore, the weather for the following day will be communicated in the TCM.

## TRAINING FACILITIES

All EYOF 2022 athletes shall remain at the European Youth Olympic Festival for the duration of the Festival from the day of the Opening Ceremony until the day of the Closing Ceremony, regardless of their competition schedules, and shall participate in all possible sporting competitions and side events. Festival-time training, including non-sport-specific training for all athletes, and sport-specific training, will be provided from 19.3.2022 until 26.3.2022.

### Sport-specific training

The type and number of scheduled training sessions in each sporting discipline are determined in consul-

tation with the respective IFs. Scheduled pre-competition, and during competition training sessions, will be included in the competition schedule by session. No other sport-specific training possibilities will be provided outside these determined times. If the NOCs are coming to the training camps before the EYOF 2022 Vuokatti, the LOC will do its best to provide the best possible sport specific training possibilities.

### **Non-sport-specific training**

Non-sport-specific training for all athletes will be provided 19. – 26.3.2022. NOCs have the possibility to book non-sport-specific training spaces by contacting Sport Info Desk.

## **Services at Vuokatti Arena**

In addition to the ice rink, the Vuokatti Arena is a multi-purpose hall. The hall serves as the Main Event Restaurant during the event, and also has a gym, swimming pool, cafe, and Vuokatti SkiService which rents and sells skiing and cycling equipment.

During the event the swimming pool will be open for all customers and local people.

For EYOF participants, the swimming pool is reserved free of charge for some nights. More information will be provided at a later date. COVID-19 might affect the use.

## **MEDICAL INFORMATION**

There will be a doctor and 1–3 first aid service patrol in each venue. For Short Track, Figure Skating and Alpine Skiing/Snowboard there will also be ambulances on site.

### **Physiotherapy**

TBA later

### **Anti-doping activities**

It's always the athletes' right to participate in doping-free sport. The purpose of doping control is to secure athletes' right to fair and clean competition. In EYOF, many young athletes have their first experience of antidoping activities, so doping control procedures are carefully planned and implemented with high quality to have an educational aspect. It's time to learn that doping controls and other antidoping activities are a part of elite athletes' careers!

Sample Collection responsibilities for the EYOF have been delegated to the Finnish Center for Integrity in sports (FINCIS). According to EOC antidoping Rules, and International Standard for Testing and Investigation (ISTI), it's possible to collect In Competition and Out of Competition doping samples during the EYOF. Both urine and blood samples are possible so athletes need to familiarise themselves with both doping test procedures, and know their rights and obligations during a doping test. All athletes have the right to have a representative with them at a doping test, for minors it's very important to have an adult with them. Sealed water and soft drinks will be available for the athletes at the doping control station. There is no food available at the doping control station, but athletes, or their support personnel can bring food for the athletes if needed. There will be transport from the Doping Control Station to the hotel, or other accommodation, for athletes and their representatives when they have completed doping control. Doping controls will be made in Ice Hockey venue (for Ice Hockey) and in the Athletes Village (other sports)

Doping Samples will be analyzed in a World Antidoping Agency accredited laboratory in Helsinki Finland. All athletes, and athletes support personnel, must familiarize themselves with the Prohibited List. If an athlete has illnesses or conditions that require them to take medication which are prohibited, Therapeutic Use Exemption (TUE) can give the athlete authorization to take the required medicine. Athletes and their support personnel have to be aware of EOC TUE Recognition and TUE Application Process.

## **PARKING**

VAPPs (Vehicle Access and Parking Permits) will be available to NOCs in accordance with the parking capacity of each venue. VAPPs will allow access to the accredited parking areas which will be marked with P+ in the venue. VAPPs must be clearly displayed inside the front windscreen/windshield of the vehicle upon entry to the parking area, and at all times while the vehicle is parked. Parking areas will be monitored by EYOF 2022 staff. Other than competition venues, no VAPPs are required and NOCs are free to use the Public Parking Areas around the competition venues. No capacity issues are expected.

## **MEDIA**

At each venue there will be clearly marked zones for the media. Due to short distances between venues, and the Main Media Centre, there will not be any sub-media centres in the venues (except the common media area in Vuokatti Ski Resort – Alpine Skiing & Snowboard and Ice Hockey Venue in Kajaani).

## **EYOF Guests**

In each venue there will be a catering tent for the EYOF Guests.

### Vuokatti Ski Resort

<https://vuokatti.fi/en/services/vuokatti-slopes/>

### Services at Vuokatti Ski Resort

Vuokatti Ski Resort is located 2 kilometres from the Athletes' Village (by car), and walking distance is only 300 m - 1 km. There are 13 slopes, including Olympic standard Big Air, SuperPipe and SlopeStyle, as well as FIS homologated OlympiaKatti slope. SuperPipe and SlopeStyle slopes have been in use since 2014, and the Finnish National Snowboard Championships have already been organised there. Vuokatti Ski Resort has two Rental Office stations; northern and western. Both Rental Offices contain a ticket office, rental shop, sport shop, restaurant - and cafeteria services. All the EYOF competitions will be organised near the northern service station. The main building in the north contains facilities for race management, service buildings, as well as parking areas for athletes, media and spectators. The Wax Cabins are located next to the competition tracks. Website: [www.vuokatinrinteet.fi](http://www.vuokatinrinteet.fi)

### How to get to the venue?

The venue can be reached from the hotel/accommodation by walking 1-15 min, or by shuttle bus.

### Parking

NOCs can use the Parking area of Vuokatti Ski Resort where appropriate numbers of places will be reserved for the EYOF organisation and NOCs.

## QUOTAS

4 Girls, 4 Boys, 4 Team Officials

## COMPETITION REGULATIONS

In accordance with IBU Rules.

### Conditions of participation

Only athletes nominated by their National Olympic Committee with a valid IBU code are allowed to participate.

The athletes must fall within the age group established for EYOF 2022 Vuokatti i.e., be born in 2003 or 2004.

### Equipment control

The Equipment control will be carried out in accordance with the IBU International Competition Rules.

### Final entries

The final nomination for all races will take place at 13.00 the day before the race, via WhatsApp group, or directly to Competition Secretary at the venue.

### Team Captains' meetings

Team Captain meetings will be held in a Sokos Hotel meeting room at 17.00 on Sunday and at 18.00 from Monday to Thursday. Exact meeting room will be announced later.

### Competition office

The Stadium will not have a separate Competition Office. Number bibs and transponders will be delivered to the athletes on the venue near the start line before the competition in the manner instructed in the TCM.

### Wax Cabins

There will be Wax Cabins available for participating NOC teams close to the Cross Country venue in the Waxing Hall. The team area will be guarded continually by a professional security agency. Access is only allowed for people with valid credentials. No waxing tables, or any other storage facilities are provided within the team cabins. It is prohibited to put any nails and/or screws into the walls, floor or ceiling of the cabins. Any damage caused to the cabins will be deducted from the deposit paid by NOCs before their arrival.

Skis can also be stored in the accommodation, if necessary.

The use of fluorinated wax is banned.

## RIFLES AND AMMUNITION

### Import of rifles and ammunition

In order to facilitate your arrival and departure at customs regarding rifles and ammunition, please find the enclosed forms, which should be completed. The competitors coming from the EU nations are recommended to use the European Weapons Passport. The import license/European Weapons Passport has to be announced and shown when crossing the border.

The application form must be sent to the OC at [nocservices@eyof2022.fi](mailto:nocservices@eyof2022.fi) by 25.2.2022.

Permits and licenses are granted by the local police and the permissions will be sent back to the teams before their arrival to Finland. It is better to enter more athletes and/or rifles per nation than the actual quantity rather than too few. The fee of the licence is 40 € per license/group and the payment will be carried out by invoice.

### Other rifles and ammunition procedures (storage etc.)

As NOCs are not allowed to store Biathlon rifles and ammunition in their accommodation, NOCs - arriving in their own vehicles - must hand over their rifles and ammunition to the rifle storage when they arrive, and collect again when they depart. No overnight storage in the accommodation or car is allowed.

All rifles and ammunition must be tagged accordingly in order to be able to claim the correct rifle and ammunition when going to the competition venue. It is mandatory to keep rifles and ammunition in proper boxes or cases to avoid damages.

## MEDICAL SERVICES

There will be a doctor and at least two first aid service patrols. The First Aid service point is located at the stadium.

## SERVICES FOR THE TEAMS

### Changing rooms & showers

Teams are not provided separate showering and changing facilities due to the closeness of the accommodation.

### Catering

Catering tent will be located next to the stadium. Please see more info in the General part of this Technical manual. Lunch and dinner will be served according to the schedule in the Main Event Restaurant.

### Age categories

Athletes must be born between 01.07.2004 - 30.06.2006.

### Quotas

1 girl, 1 boy, 2 Team Officials, 1 Judge

### Competition regulations

The competition will be conducted in accordance with the ISU Constitution and General Regulations 2021, the ISU Special Regulations & Technical Rules Single & Pair Skating and Ice Dance 2021, and all pertinent ISU Communications and valid decisions of ISU congress.

### Conditions of participation

Participation in this competition is open to all competitors who belong to a European ISU Member, and qualify with regard to eligibility according to Rule 102 and follow the EOC eligibility rules as well, provided their ages fall within the limits specified in this Announcement, and they meet the participation, citizenship and residency requirements in Rule 109 of the ISU General Regulations and are nominated by NOC.

In accordance with Rule 109 of the ISU General Regulations all skaters, although having nationality of the NOC which they represent, have in the past represented another NOC, must produce an ISU Clearance Certificate. Passports of all skaters, as well as the ISU Clearance Certificate, if applicable, must be presented at the accreditation of the event for verification.

All competitors must be entered through their respective Member Federation via the NOC, and meet the age category established for EYOF 2022 Vuokatti.

### Music

All competitors shall provide competition music of excellent quality in accordance with Rule 343. Music has to be uploaded into RAS as an MP3 file format. Any other format is not acceptable. A music form for the programs of each competitor indicating name, country, discipline, segment and the duration of the music must be uploaded into RAS by 7.3.2022. If music information is not complete or/and the music is not provided, accreditation will not be given.

The titles, composers and orchestras of the music to be used for the Short Program and Free Skating must all be entered, in detail, by the NOC or skater on the RAS.

During the first official practice, the music will be played as indicated in the Practice Schedule and will allow to verify the correctness of the submitted music.

Each competitor must have an own back-up drive (USB stick) for each program in the format of MP3 file. In accordance with Rule 343, all back-up USB sticks must show the competition event, competitor's name, country, discipline, segment and the exact running time of the music and must be submitted at the time of accreditation. Each program (short program, free skating) must be recorded on a separate USB stick.

PLEASE NOTE: CDs will NOT be accepted by the Organizer.

### **Judges & payments**

Each Panel of Judges will consist of a minimum of 5 Judges and maximum of 7 Judges. Each participating NOC is requested to nominate one judge with at least the qualification "International judge". One judge can be nominated by NOCs: For girls competition (if NOC has a skater in this discipline). For boys competition (if NOC has a skater in this discipline). For both competitions (if NOC has a skater in both disciplines).

Each NOC with participants in Figure Skating is expected to pay part of the cost of the judges. The OC will initially pay for the participation fee and the travel costs of judges and then distribute the cost between all participating NOCs. The travel costs of the judge should be invoiced to the OC by 14.3.2022.

The divided cost of the judges will be sent to the NOCs in the 3rd invoice issued a week after the event.

### **Composition of Judges Panels**

7 judges have been drawn for each panel. The seating order will be drawn 45 minutes prior to each segment of the category. The Referees and the Technical Panels (technical specialists and controllers), as well as Data and Replay Operators, will be appointed by the OC and FFSA.

Judges were drawn at the Chefs de Mission Seminar in Vuokatti on 16.12.2021. The following countries were drawn:

## COMPETITION INFORMATION

### Playing time

A regular game consists of three 20-minute regulation time periods, and two 15-minute breaks. The teams will change ends after each period.

### Overtime procedure

No more than 5 minutes overtime after three-minute intermission. BMG (Bronze medal game): no more than 10 minutes overtime after three-minute intermission. GMG (Gold medal game): no more than 20 minutes overtime after 15 minutes intermission.

Teams will not change ends. The overtime period shall be played with three skaters and one goaltender, with the exception of bronze medal game, and gold medal game, that shall be played with four skaters and one goaltender.

### Game winning shots procedure

If no goal is scored in the overtime period, then the Game Winning Shots procedure will apply. The following procedure will be utilized:

- Five different shooters from each team will take alternate shots until a decisive goal is scored
- If the game is still tied after five shots by each team, the GWS will continue with a tie-break shoot out by one player of each team, with a reversed shooting order.
- The same, or new players can take the tie-break shots. The same player can also be used for each shot by a team in the tie-break shoot-out.
- Only the decisive goal will count in the result of the game

### Group standings regulations

- Higher number of points
- Direct game result
- Better goal difference
- Higher number of goals scored for
- Better seeding number coming into the EYOF

### Penalties

If a player receives a match penalty or second game misconduct, he is automatically suspended from the next game of the tournament.
