WELCOME TO NOTTINGHAM

Nottingham is delighted to welcome you to the ISU World Junior Synchronized Skating Championships® 2020.

Known around the world as the home of the famous folklore hero, Robin Hood, Nottingham is a city offering culture, history, shopping, sport, arts and green spaces to breathe.

Right in the middle of the country – you can travel to London or Manchester in less than two hours and Birmingham in under an hour. With excellent transport links, Nottingham is set to be the perfect location for the WJSYSC2020.

EXPLORE NOTTINGHAM

The city centre is largely pedestrianised and compact with an excellent transport network, making Nottingham perfect for relaxed strolling and sight-seeing.

History
Robin Hood is one of the world’s best loved folklore heroes and Nottingham is the place to learn more about the legend. Start with Nottingham Castle and then venture deeper down underground where you can explore part of Nottingham’s subterranean network of over 550 caves at the City of Caves, with the thrilling National Justice Museum nearby presenting an extensive and grisly history of crime and punishment in the city.

Arts & Culture
The Motorpoint Arena Nottingham is based in the Lace Market which is the oldest area of the city and makes up part of the Creative Quarter. The district has its own unique character, and today the area merges history with independent culture, revealing the spirit of modern Nottingham. The city is brimming with lively bars, restaurants and modern art at the Nottingham Contemporary gallery. Venture further into the city and you’ll find world-class theatres, shopping, galleries, music venues and more.

Shopping
If you love to shop, Nottingham offers an enticing mix of high street, designer boutiques and vintage clothes stores. Popular shopping destinations include Intu Victoria Centre, Bridlesmith Gate and Clumber Street.

Food
Nottingham is the perfect location to sample England’s most famous dish – traditional fish and chips! Speak to a local who will also tell you Nottingham’s favourite topping is mushy peas – don’t leave town without trying it! With over 300 bars and restaurants in the city centre alone, you will be spoilt for choice when it comes to dining in Nottingham, ranging from traditional English fayre to international cuisine.

USEFUL INFORMATION

Currency
National currency in the UK is the pound sterling (symbol: £). You get notes in denominations of £50, £20, £10 and £5, and coins in £2, £1, 50p, 20p, 10p, 5p, 2p and 1p. There are lots of places you can change money in the UK:

- Bureaux de change on high streets, in airports and major railway stations
- Banks
- Travel agents
- Post Offices

It’s worth shopping around to get the best deal and remember to ask how much commission is charged.

Electricity
The voltage in the UK is 220/240 AC, 50 Hz. Electrical plugs have three rectangular pins and take fuses of 3, 5 and 13 amps. Visitors from abroad will need an adaptor for appliances that have been brought from home, such as laptops, hairdryers and phone chargers. Most hotels will have two-pronged European-style sockets for shavers only.

Climate
In the UK, the coldest months are December to March, when the temperature is usually between 3 and 6°C with potential for rain showers so be sure to bring a coat and warm layers of clothing.

Tipping
- **Tipping in restaurants** - If you’re in a restaurant a service charge is sometimes added to your total bill, which you are expected to pay. If nothing is added and you are happy with the service you’ve received, a tip of around 10-15 percent is standard. Many restaurants automatically add a service charge to the bill, so do check before leaving a tip.

- **Tipping while staying at a hotel** - If a porter takes luggage to your room for you, it is customary to tip approximately £2. If you decide to order room service or are happy with the hotel service you can leave a tip at your own discretion.

Shopping
Opening hours in the UK are generally Monday-Saturday from 09.00 until 17.30. In main cities including Nottingham, many businesses, banks and shops operate limited hours on Sundays.

Drinking water
Water quality standards in the UK are rigorous, so tap water is generally safe to drink throughout the country, unless it is indicated otherwise by the property that you are staying at.
MINI GUIDE TO NOTTINGHAM

There are so many things to see and do in this historic city, you’ll struggle to pack it all in - but do try!

HISTORY AND CULTURE

Nottingham Castle
Built by William the Conqueror’s son, Nottingham Castle was first erected in 1068. Legendary home to the Sheriff of Nottingham, Robin Hood’s mortal enemy, the castle was dismantled in the 17th century at the end of the Civil War. The Renaissance-style palace that was built on the ruins was also destroyed by Luddites in 1651 and in 1875, the gutted building was restored as a museum of fine art. The Castle is currently under renovation and is due to reopen in 2021. Just outside the Castle in the remains of the moat, is a bronze statue of a Robin Hood, surrounded by his merry men. This is the most popular place in the city to ‘check in’ and have a ‘selfie’.

City of Caves
You can explore a whole new world in the caves underneath Nottingham. Meet real cave-dwellers from the past and see how the caves have been used and adapted over the centuries by local people to escape and take refuge from the world above.

National Justice Museum
The award-winning museum offers a unique insight into crime, punishment and British justice. The atmospheric building is a former 18th century prison and courthouse and features the largest collection of police memorabilia in the UK – including evidence from the Great Train Robbery trial. It also claims to be the most haunted building in England!

FOOD, BEVERAGE AND ENTERTAINMENT

Restaurants, cafes and tea shops
Across the city you are set to be spoilt for choice, with more than 300 places to eat and drink in the city centre alone. Try local delights at cosy cafes, fine dining at award winning restaurants or visit unique locations like the only remaining Victorian music hall outside of London, the Malt Cross, where Charlie Chaplin once performed! For a truly unique experience, visit the Kitty Café, where you can enjoy some feline company with your cup of tea whilst supporting a local cat rescue centre.

Pubs
Don’t miss England’s oldest pub, Ye Olde Trip to Jerusalem, built into the limestone rock upon which Nottingham Castle stands. Other historic pubs include Ye Old Salutation, The Bell, The Hand and Heart and The Canalhouse – which actually has a canal running right through it!

Theatre
The Theatre Royal and Concert Hall Nottingham enjoy visits from world-class orchestras, ballet companies, opera and touring drama alongside West End musicals, stand-up comedy, rock and pop. Nottingham Playhouse puts on a wide variety of drama, music, dance and comedy with touring shows and its own local productions.
OUTDOOR ACTIVITIES

In a short walking distance of the Motorpoint Arena Nottingham, you can find a variety of outdoor attractions which are not only great fun, but free of charge too!

Stonebridge City Farm
Visit the city farm to meet cows, sheep, goats, rabbits, guinea pigs, chickens, ducks, turkeys and lots more! With gardens and a nature trail to roam and an onsite café and farmshop selling organic produce, Stonebridge City Farm is a piece of the countryside in the heart of the city.

Green’s Windmill
Green’s Windmill and Science Centre is one of the only working city centre windmills still open in England. Open Wednesday’s - Sunday, you can climb the mill, discover how flour is made, experiment like a scientist and visit the onsite shop. Well worth a visit for the view over the city alone.

The Arboretum
A historic, beautifully maintained park that is home to an important collection of over 800 trees, some of which are from the original collection planted in the 19th century. The award winning Arboretum is Nottingham’s oldest public park and the closest to the city centre, also said to have been the inspiration for J.M Barrie’s Neverland. The famous author lived in Nottingham before he wrote Peter Pan so it’s a definite possibility - especially with Peter Pan wearing a very similar green outfit to Robin Hood!

Wollaton Hall & Deer Park
Standing on a natural hill three miles west of Nottingham City Centre, Wollaton Hall is a spectacular Elizabethan manor set in five hundred acres of gardens and parkland. The hall was used as the setting for Wayne Manor in the 2012 Batman film, Dark Knight Rises. Entry to the hall is free - charges apply for tours and entry into the Industrial Museum. Based three miles outside of the city, we recommend you obtain travel/public transport information via Nottingham Tourism Centre.

Sherwood Forest Visitor Centre & National Nature Reserve
Sherwood Forest is known all over the world as the playground of Robin Hood and is still alive today with history, nature and folklore. Based just under an hour from the city centre, no trip to Sherwood is complete without seeing the Major Oak - a majestic giant tree with a canopy spanning 28 metres and a trunk 10m in girth which has watched over the legendary landscape for a millennium. The Sherwood Arrow bus service runs hourly from Victoria bus station in Nottingham and stops outside the Sherwood Forest visitor centre. For up to date information speak to the Nottingham Tourism Centre team.
