Coaching Seminar: Safe Sport

The ISU Development Commission and Speed Skating Canada are pleased to announce that a coaching seminar on the theme of 'Safe Sport' will take place on the occasion of the ISU World Allround Speed Skating Championships in Calgary (CAN) on February 28, 2019.

The seminar will focus on the topic of safe sport and on a pair of initiatives that exist within the Canadian amateur sport system: 1) Responsible Coaching Movement (a commitment to implementing supportive policies and procedures to ensure the safety and protection of athletes) and 2) Respect in Sport Program (which educates youth leaders, coaches, officials and participants to recognize, understand and respond to issues of bullying, abuse, harassment and discrimination).

Mr. Adam Sollitt from the Coaching Association of Canada and from the Respect Group, an NCCP trained Coach and master coach developer who has worked with national sport organizations in over 60 different countries, will lead the presentation and discussion. We hope that as many Coaches as possible will join us so that we can all continue to work towards a safe environment for all Skaters.
