Seminar for re-appointment of ISU Judges, as per Rule 417, paragraph 6. The Judges officiating at 2022 ISU Figure Skating Championships and 2022 Winter Olympic Games are not required to attend an ISU Seminar as presented in this Communication in order to fulfill the requirement of having completed an ISU Seminar for re-appointment of ISU Judges. ISU Members are reminded that a Judge's attendance at the Initial Judges' Meeting and Round Table Discussions is not considered as an ISU Seminar for re-appointment as an ISU or International Referee. Referees still need to attend one seminar to fulfill the requirement of having completed an ISU Seminar for re-appointment as an ISU or International Referee. However, Rule 417, paragraph 5, states the following exception:

To consider the activity as Referee of an ISU Championships or the Olympic Winter Games, as an ISU Seminar for re-appointment as an ISU or International Referee, the following is required:

- the Initial Judges' Meeting must be conducted by the concerned Referee together with the Chair or a member of the respective Technical Committee;
- the Round Table Discussion must be conducted by the Referee;
- the activity as a Referee for the Championships or the Olympic Winter Games must have been considered acceptable by the respective Technical Committee.

In order to fulfill the requirements of having completed an ISU Seminar for re-appointment, Judges and Referees may also complete the related ISU webinar/e-learning exercise published on the ISU eLearning platform.

## **Expenses**

The responsibility for the expenses of these ISU Seminars will be allocated as follows:

- a) The administrative expenses (use of ice surface, classroom and all supporting equipment/facilities) will be borne by the Host ISU Member.
- b) The travel and living expenses of the Moderators will be borne by the ISU.
- c) The travel and living expenses of the participants will be borne by their respective ISU Members, or by the ISU Referees/Judges themselves in case of direct application (not through the ISU Members).

The ISU can contribute financially only to a limited number of these ISU Seminars each year. If the ISU is unable to contribute to the expenses of a Seminar and the Host ISU Member holds a seminar following the above guidelines and applied as per the procedure above, the Host ISU Member may nevertheless submit an application for its recognition. If recognition is granted, the total expenditure will then be borne by the Host ISU Member.

ISU Members who do not receive financial assistance from the ISU may apply to their respective NOC for possible funding through Olympic Solidarity.
