The Council acknowledged that Mr. Dingding Liu (CHN), has decided to discontinue his Event Coordinator activity for personal reasons and thanks Mr. Liu for his many years of successful cooperation in the area of Figure Skating Event Coordination. The ISU wishes Mr. Liu the very best for his future endeavors.

For the season 2019/20, Mr. Wieland Lüders (GER) will perform the Event Coordinator function assisted by at least 2 Event Coordinator Assistants, namely Ms. Julia Degenhardt (GER) and Mr. Hirohiko Saso (JPN). Both Ms. Degenhardt and Mr. Saso have efficiently served the ISU and the respective organizing ISU Members as Regional Event Coordination Assistants over many years.

In this regard, the Council concluded that the concept for Figure Skating Event Coordination that has been in place for many years, consisting of one or two Event Coordinators (EC), several Event Coordination Assistants (ECA) and a pool of Regional Event Coordination Assistants (RECAs), has served the ISU well and has ensured a smooth transition at times of personnel changes at the Event Coordinator level. The Council therefore intends to reinforce the pool of Figure Skating Event Coordination Assistants (RECA). ISU Members may propose candidates for inclusion in this RECA pool and subsequent assignments to ISU Events basically starting with the season 2020/21. Candidates should have knowledge and experience in Figure Skating and a good level of English. Applications including a CV shall be sent to the ISU Figure Skating Manager, Ms. Patricia Mayor (mayor@isu.ch).
